Application:

Next Generation Technologies, Corp. ("NGT"), hereby requests authority, pursuant to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. Section 214 (1982), and Section 63.18 of the Commission's Rules, 47 C.F.R. Section 63.18, to provide global international facilities-based and resale services between the United States and international points.

NGT is a new U.S. company organized to provide international telecommunications services. NGT has no foreign affiliations. NGT serves customers throughout the United States.

By granting this application, the Commission will serve the public interest, convenience and necessity by promoting competition in the international services market. Competition will benefit U.S. consumers by increasing service options and lowering prices. Thus, the public interest will be served by the grant of Section 214 authority to NGT. The following information is submitted, as required by Section 63.18 of the Commission's Rules, in support of NGT's request for authorization:

(a) Next Generation Technologies Corp.
5825 Collins Avenue
10-H
Miami Beach, Florida 33140

1200 Old Alpharetta Road
Alpharetta, GA 30005
(404)579-8888 Direct

(d) NGT has not received authority previously under Section 214 of the Communications Act.

(e) NGT requests global facilities-based and resale Section 214 authority pursuant to the terms and conditions of Section 63.18(e) (1) and (e) (2) of the Commission's Rules.

(f) At this time, NGT seeks no other authorization available under Section 63.18(e).

(g) Not applicable.

(h) NGT certifies that it is not affiliated with any foreign or U.S. facilities-based carrier. In support of this certification, the name, address, citizenship and principal business of the sole shareholder that controls ten percent or more of NGT is as follows:

Mauricio Padilla
Next Generation Technologies Corp.

Principal Business: Telecommunications

(i) NGT certifies that it has not agreed and will not agree in the future to accept any direct or indirect special concessions from a foreign carrier or administration with regards to traffic or revenue flows between the United States and any foreign countries the company is authorized to serve.

(j) NGT certifies that no party to this application has been denied federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988.

In conclusion, NGT certifies that all of the information in this application is accurate and correct. For these reasons, NGT respectfully requests that the Commission grant this application.

Respectfully submitted,

Mauricio Padilla
